

Temples of Satan Q and A.
www.templesofsat.com

Q. When was the Temples of Satan founded?

A. The Temples of Satan was founded in 2000 and in 2009 became the first legal Theistic Satanic Church, unlike most organization which rely on Universal Life Church ordainments.

The Church of Theistic Satanism is a project of The Temples of Satan and shares the abilities to ordain legally Priests and Priestesses, for a fee.

Q. Why the 5013 C Status?

A. Unlike most “quote-unquote” Satanic Organization the Temples of Satan believes we can most certainly benefit from a tax status such as many churches in the World Religions.

Q. The Temples of Satan doesn't recognize the Universal Life Church Ordainment?

A. We do not believe a “non aligned with Satan” organization can not sell such honors and the ability to grant such doesn't come from emails and or “affixed claims or titles.”

Q. Can one petition for Priesthood or Priestess from the Temples of Satan or Church of Theistic Satanism?

A. Yes, one is required to pay a fee and seek ordainment from the ruling clergy body after an extensive questionnaire in preparedness for such an honorable entitlement.

Q. Grand Magister?

A. The title with careful look-up means Occult Teacher, we do grant paid Priestesses and Priest's yet they are required to report to our founder who has over 25 years of involvement off-line and on-line with Satanism, and is considered The Leader of Theistic Satanism.

Q. Do you have doctrines and or provide ritual works?

A. We provide limited access to on-line and unlimited access to off-line paid members, membership is 100.00 for lifetime and includes a certificate and exclusive membership only content and PDF files, not often viewed by the general population.

Q. Off-line or On-line?

A. We provide both and many who participate on-line also participate off as well, unlike most “quote-unquote” Satanic Organizations we hold regular meetings and attend many Meet-Up Groups including Diane Vera's Theistic Group in NYC which we recommend for New Yorkers.

We recently held a gathering in Buffalo, and Chicago and plan Cleveland and New Orleans meets soon as well, average attendance is ten to twenty however in New York upwards of fifty have been in attendance.

Q. Do you hold Black Mass?

A. Seldom to we require or participate in activities like Black Mass, we do however unlike many “quote-unquote” Satanic Organizations hold rituals as a group as time and meetings progress nationally.

Q. What system do you use in study?

A. We believe in individual development and assist in your journey down the path, with several learning options and systems we accept most who are similar to our beliefs and often utilize the works of Blackwood and others before him.

Q. How does the Temples of Satan view other groups?

A. We only recognize legal Satanic Churches as valid organizations we do cooperate with Diane Vera's groups due in part to her contribution to Theistic Satanism.

We also are associates with several other Real Satanic Organizations and Pagan Organizations.

We have established ourself as the alternative to those seeking a relationship with Satan and continue to provide an experience unlike others in Satanism.

We also do not recognize The Church of Satan as anything other than "Advanced Atheism" or Pseudo Satanic due in part the non acceptance of Satan or his Archetype as reality, yet using his name in grandiose titles.

Q. How do I join? www.templesofsatan.com

A. Visit our Website and send 100.00 to us securely through Google, shortly thereafter Blackwood will personally contact you via phone and discuss your desires and goals for your membership, which is lifetime.

Q. How many members do you have?

A. While we never provide membership lists to members we do provide access to the membership base via off-line and on-line venues, we however will not disclose your information to other members since you are encouraged to reach out to others on-line or off.

Our membership totals are over one thousand worldwide, yet only a small percentage of membership participate in meetings and discussion, many paid members do more than unpaid membership.

Off-line of course is stronger than on-line (which is free via groups).

Our on-line groups serve only as a platform for our off-line meetings and we encourage all on-line membership to go off-line as soon as possible.

Q. I am under 18 can I apply?

A. We allow applicants who are under 18 with emancipation papers as proof or parental permission, we also do not discuss or provide sexual or content that is deemed adult in nature to under-age membership.

Q. Do you sacrifice people or animals?

A. We believe that most "quote-unquote" Satanic Organizations are spawned in the minds of people who are not strong of mind we are and we do condone animal sacrifice, provided you do it without cruel intentions to torture, we also understand the criminal aspect of killing human and do not recommend such behaviors however do feel as Satanist's we are "Supreme Rulers" or the Earth sharing its content with Satan and serving him, so we deem it acceptable to kill if for ones safety.

We are strong advocates for the Constitution and honor the rights it provides.

We do also think that being a Satanist requires more than a desire to be evil or be the "center of attention" we think it requires the ability to kill if required for ones revenge and or betterment of the deity however due to laws we can only support the concept and not condone the act.

In rituals we do supplement the use of human by using a goat acquired and used completely by the ritual.
